

San Marcos Estates House Painting Guidelines As of July 20, 2015

www.mysanmarcos.org

1. Approved Paint Colors are listed on the attached sheet. Colors are identified by Sherwin-Williams (S-W) chips. The local S-W store has a copy of our approved color books in their HOA bookshelf. Ask any associate to see it. You may also check out a book from our board. Simply ask our property manager who to see on site. Note that the local S-W store is located near the Home Depot on Alma School and Chandler Blvd. It is visible from Alma School and is just south of the Alma entrance to Home Depot.
2. You may paint the body, trim, and pop-out three different approved colors.
3. You may paint the entire home (body, trim, pop-outs) any of the body colors.
4. You may match the trim and pop-out with any of the pop-out colors.
5. You may match the garage door with either the body or trim color. The garage door may be “white” regardless of body or trim color.
6. You may use other brands of paint, but they must match the approved Sherwin-Williams colors.
7. Note that Sherwin-Williams offers 10% discount off list price for our association. Also, they run 40% off sales regularly. To be notified of the sales, register at Sherwin-Williams.com (go to choose a site>homeowners>paint perks) or go to any S-W location.
8. Always submit an Architectural Request form prior to painting to obtain formal approval of paint plans. The form is located under the Resident Center tab on the HOA’s website: www.mysanmarcos.org.
9. You may submit a request on the Architectural Request form to use colors that are not on the approved list. However, that will require board approval which will take additional time. You are strongly encouraged to use only approved colors.
10. Direct any questions to Elan Management. Contact info on the HOA’s website.
